Education

New York University Shanghai, Shanghai, China, Bachelor of Engineer in Interactive Media Arts ([Chinese](#), [English](#))

Graduated: May 2026

Professional Experience

Program Assistant at [CRCC Asia](#)

Shanghai Program

Shanghai, On-site
April 2026 - July 2026

- Coordinated onboarding for international participants by managing visa documentation, accommodation arrangements, internship records, airport arrivals and departures, transportation logistics, and conducting accommodation and host company visits.
- Created onboarding resources, orientation presentations, participant guides, event instructions, farewell materials, and weekly newsletters to support participant communication and engagement.
- Planned and supported weekly events and meetings by managing bookings, venues, transportation, and on-site logistics. Captured photos and videos during events for program documentation and promotional purposes.
- Provided ongoing participant support through email, WeChat, and in person, assisting with daily life in Shanghai, including transportation, Chinese mobile applications, SIM cards, healthcare, local services, and hospital visits when required.
- Maintained participant databases, daily schedules, program expense reports, and operational records while collaborating with housing providers, host companies, internship partners, and internal teams in English and Mandarin to ensure smooth program operations.

International Guest Liaison at [Shanghai International Film & TV Events Center](#)

SIFF & STVF Partners' Night 2025 + Launch of 2025 Portuguese Film Festival Group 2025

Shanghai, On-site
December 2025

- Guided the Portuguese crew of *The Scent of Things Remembered* throughout their festival stay, including visits to museums, schools, Shanghai attractions, and fan and staff interactions, while providing cultural and historical context to support a smooth and engaging experience.
- Provided Chinese-Portuguese interpretation for HR representatives, directors, company executives, festival staff, and fans, facilitating clear and professional communication.
- Supported the crew during networking, press, and festival activities by coordinating logistics and ensuring smooth participation, while gaining experience in cross-cultural collaboration, international guest relations, and experiential event design within a cultural diplomacy context.

International Guest Liaison at [Shanghai International Film & TV Events Center](#)

27th Shanghai International Film Festival (SIFF 2025) • [Certificate](#)

Shanghai, On-site
June 2025

- Managed all logistics for the Brazilian crew of *Cyclone (2025)*, including airport pick-up, transportation, hotel check-ins, accommodations, and daily festival participation, ensuring a smooth and well-supported stay.
- Provided Portuguese-Chinese interpretation and facilitated communication with festival organizers, media representatives, and staff, enabling full participation in screenings, Q&A sessions, press conferences, and Kering's *Women in Motion* event.
- Coordinated schedules, documentation, and last-minute requests across screenings, press events, and official festival activities while gaining experience in high-pressure festival operations, red-carpet logistics, and VIP talent hospitality.

Q&A Session Interpreter at [Shanghai International Film & TV Events Center](#)

27th Shanghai International Film Festival (SIFF 2025)

- Delivered real-time Portuguese-to-Chinese interpretation during the post-screening Q&A session for *Cyclone (2025)*, translating the Brazilian crew's responses and audience questions to facilitate clear communication, smooth interaction, and engagement between the filmmakers and Chinese-speaking attendees.
